

ATTENTION

Scientific Students' Association Conference

The Scientific Students' Association Conference (TDK) of the Faculty of Water Sciences will be held in the TDK section of the National Urban Rainwater Management Conference, 21 November 2019.

The participants of the Scientific Students' Association Conference can gain the opportunity to submit their papers to the 35th National Scientific Students' Associations Conference in 2021

Papers awarded places 1-3. at the National Scientific Students' Associations Conference are recognized equivalent to an excellent thesis.

Awards in each section of the Faculty TDK!

**Apply by submitting an application form and abstract
until 7 November 2019**

Information: <https://vtk.uni-nke.hu/> ► "Hallgatóknak" ► "TDK" menu

**Entry and participation from the very first grade
free for all students!**

We are looking for more and more students, even in co-authors' groups!
